CHARACTER EDUCATION SEPTEMBER NEWSLETTER

UPCOMING EVENT:

Dear Parent,

On Thursday, November 11th, we will have an event for Veterans Day. Please email me at balik@yscp.org or call me at 732-910-1203 if you would like to help out with organization and planning for this important event.

Last year, I had contacted few local veteran organizations for veterans to come to our school and speak with students about their experiences in the military. If you are veteran, know a veteran or have a relative who has served in the military, please let me know. Our goal is to bring at least one veteran to speak for each classroom. Please contact us so that we can invite them to our school assembly on November 11th. They can participate, if possible in their uniform, to discuss the importance of liberty, patriotism, loyalty and serving their country.

K-4 Character Education:

Character Trait of the Month: Citizenship

Our students have started and are continuing to study what it means to be good citizen. Our character trait for September is citizenship. We hope students will be talking about this character building unit at home.

We have discussed ways in which students can demonstrate character-building with good citizenship behavior in their home, classroom, community and country. For example, at home, children can be kind and helpful with chores. In the community, students can recycle and donate goods to charity. Many more ideas have been explored with their participation.

Please discuss these topics with your child and reinforce good citizenship behavior in action when you see it. You can discuss behaviors that are part of good citizenship and share your own views as well with your child.

Building better citizens together,

Mr. B

Middle School Character Education

Character Trait of the Month: Citizenship

As part of the YSCP's Character Education Program, we celebrated Mad Hatter Tea Party with our grandparents to celebrate National Grandparent's Day. It was a day to honor our grandparents, give an opportunity to show love for their grandchildren and help bring families together and support the importance of family. On Thursday, September 30th, our kids had the opportunity to spend some time with their grandparent or grand-friend, made hats, shared stories and memories together.

We discussed the importance of respecting grandparents and their contribution to our community in Character Education class. Each class had a responsibility in organization and preparation of the event. I would like to thank the middle school students for putting a great event and working together.
